Pat, Christine had done a MATO, I believe, to extend the EPA-01 to September 30... I would really appreciate if y'all can expedite getting this done today, since the MA's completion date is today...

Let me know if there is anything else I need to do...

Hi Patricia. There was an RRF from the RRCC to extend it to 09/30. It was supposed to be processed last week. I don't have my computer with me but can you check in webeoc. We definitely need to amend it to 09/30. It was amended for add funds to \$275,000 total
